Miles Community College to Receive \$13,418 from SAF for Student Grants

(MILES CITY) Miles Community College will receive \$13,418 in Acce\$\$ Grant funds from nonprofit Student Assistance Foundation (SAF) on Tuesday, April 20. Since 2000, the college has received \$85,480 through this program.

President Stefani Hicswa, Financial Aid Director Loren Lancaster, Dean of Enrollment Services Jessie Dufner and Vice President of Student Success and Institutional Research Darren Pitcher will accept the award from Josh Sloan, SAF campus outreach manager, at 10 a.m. at the financial aid office.

Acce\$\$ Grants are awarded each year by SAF through financial aid offices at all Montana postsecondary schools, including tribal and private institutions, and two-year and four-year schools. The amount awarded to each school is determined by enrollment numbers. Financial aid officers use the grants to help students in need pay for their education. Individual award amounts vary by individual and are determined by the financial aid office.

This year, the total award amount being distributed to colleges and universities is \$1.2 million, bringing the grand total of Acce\$\$ funds provided by SAF since the program's inception in 2000 to \$6.9 million.

Student Assistance Foundation is a 501(c)(3) nonprofit Montana corporation that provides students with knowledge and tools to finance and pursue their postsecondary education. Funds generated by SAF are returned to Montanans in the form of education grants and public benefit programs - to date more than \$16.8 million.
