SAF's Kelly Chapman Receives National JAG Leadership Award

(HELENA) Jobs for America's Graduates (JAG) recently honored Student Assistance Foundation Executive Vice President of Foundation Activities Kelly Chapman for her dedication to the program's affiliate operating in Montana.

She accepted the National Network Leadership Award at a ceremony in Washington D.C. in December.

"It is a tremendous honor to be recognized by this organization that does so much to help at-risk students succeed," Chapman said. "JAG's efforts through state organizations to address high school dropout rates, improve academic performance and other issues related to at-risk youth mesh seamlessly with Student Assistance Foundation's mission to provide students with the tools and knowledge to make their dreams of postsecondary education a reality."

Chapman has been a long-time supporter of Jobs for Montana's Graduates (JMG), and currently serves on the JMG Foundation's board of directors.

"Kelly truly has been a friend to JMG and an invaluable member of the JMG Foundation board of directors," Chapman's nomination letter from JMG reads. "Jobs for Montana's Graduates would like to thank her for the invaluable foresight and advice she has provided."

Student Assistance Foundation is a 501(c)(3) nonprofit Montana corporation that provides students with knowledge and tools to finance and pursue their postsecondary education. Funds generated by SAF are returned to Montanans in the form of education grants and public benefit programs - to date more than \$10 million. For more information, visit www.safmt.org.
